

Education and Non Profit Volume Licensing: SyncBackSE

2BrightSparks is pleased to offer significant discounts to valid educational and non-profit organizations for all our commercial software.

A non-profit organization is one specifically formed for purposes other than operating a profit-seeking business, such as a charitable, religious, education, or scientific purpose.

2BrightSparks Pte Ltd recognize the budget constraints of educational and not-for-profit organizations, and are pleased to offer a substantial discount to encourage them to provide a backup and synchronization mechanism for their members and staff.
